Re: Reinstatement of privileges

Dear Dr. Hoedt:

Along with the VUMC Chair of Orthopedics, I have reviewed the information and assessment of your participation in the Proctoring Program carried out by the Adult Reconstruction Division at VUMC. The 30 cases in which you participated included a variety of primary hip and knee replacement and revision cases by multiple providers within the Adult Reconstruction Division. The Chair of Orthopedics and I have determined you successfully completed the Proctoring Program. Your privileges at Vanderbilt Wilson County Hospital are reinstated.
